AA125T	white	118x100	158	16	43	120/125

Description: Wall-mounted helical extractor for ducts

Features: The helical aspirator for ducts is a simple and versatile solution to solve the problem of air exchange for a certain type of domestic environment, such as service bathrooms or laundry rooms. Helical extractors are suitable for direct wall outlet or for installations where it is not necessary to flow the air on very long distances through the ducts.
