

White duct system

Item	Colour	B1xH1 mm	B2xH2 mm	L mm
CA22289B	white	220x90	222x89	43

Description: Adapter FF between duct system 222x89mm and accessories 220x90mm

Material: ABS plastic

Features: The adapter FF allows to connect 222x89mm duct systems with 220x90mm rectangular ducts and accessories. It is part of the ducted ventilation system which allows rapid evacuation of vapors (max 80°C) and unpleasant odors from environments such as kitchens or bathrooms and a healthy exchange of air.
