**Description:** Inspection box

**Material:** ABS plastic

**Features:** Inspection box including door 300x400 mm. The product is sold in a kit which includes the inspection door, 2 short sides, 2 long sides, the back and the key. Its assembly is simple and fast as it is based on an interlocking and self-locking system of different male/female elements (coupling pins and clips). The cassette is suitable for gas meter inspection, and is compatible with universal meter keys.
