Item	Colour	Rainproof flaps	Pressure relief flaps	BxH mm
SU1818B	white	-	✓	180x180
GU1818B	white	✓	-	180x180

Description: “SU - GU” type grilles for duct system

Material: ABS plastic

Features: The “SU-GU” type grilles are to be installed as an external terminal accessory on the wall. They are equipped with a universal spigot and therefore suitable for round pipes \varnothing 100 - 125 - 150 mm and for rectangular pipes dim. 120x60 and 150x70mm. They are part of the ducted ventilation system which allows rapid evacuation of vapors (max 80°C) and unpleasant odors from environments such as the kitchen or bathrooms and a healthy exchange of air.
